MISSION:

Norman Regional Health System will provide quality and compassionate health care services and education to our regional community in a responsive, efficient, and safe manner.

VISION:

Norman Regional Health System will improve the quality of life in our regional community.

2009-2010 Strategy Statement:

Norman Regional Health System will provide leadership through the development of action steps to achieve and be recognized as the health system of choice for patients, physicians, and employees; the healthiest regional community; and the health system with the best facilities and quality outcomes.
